Statement

I grew up in Lincoln County, on my family's farm, where I learned the values of our community. It is in Lincoln County, on that same farm, where I chose to raise my own children; in order that they may also learn those values. While executing the responsibilities of this office, the interests of Lincoln County's citizens, and how best to represent them, is foremost in my mind.

I am firm, but fair, in the prosecution of crime which takes place in Lincoln County. I believe strongly that crime victims deserve to have their voices heard, and that Lincoln County citizens deserve to have their interests represented. It has been my privilege to be a voice and advocate for Lincoln County. I ask for your vote, so that I may continue to serve as Lincoln County's advocate and Prosecuting Attorney.

With a heart of service, I have picked up garbage as well as served as a Board Member of a Non-Profit organization. I earned the Habitat for Humanity Lifetime Achievement Award in 2009. I served as Medical and Security Director for the Washington State Special Olympics. After moving to Harrington, I became actively involved in the Harrington Food Bank.

Statement

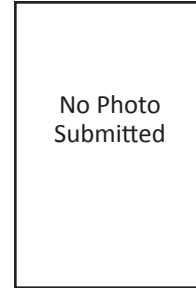

I am a strong advocate for keeping Harrington a small, friendly town while at the same time promoting prosperity by removing roadblocks to help the town capitalize on its unique image as it rebuilds. I have a vision in which residential properties are updated, habitable, and lived in. I desire to encourage local and future business leaders to bring more commerce to Third Street. I will diligently strive to keep our citizens' utility costs stable from increasing while continuing to improve the infrastructure plans that have already been put in place

Hello Harrington Residents.

I was born and raised in Edmonds, Washington. I went through school in Edmonds and after high school went to work in Seattle at one of the premiere job shop's on the west coast. After 27 years I left and went to a company in Kennewick, WA to help start a manufacturing facility to produce Stirling engines, from which I retired in 2016. We now live in Harrington on 5th Street. I would like to bring my skills, talents and experience to the City Mayor position and be a strong and honest representative for our city.

Hi Sprague. I have been your Mayor for the last 4 years, and have been proud to be so. I have assembled a great, hard-working staff, loyal to their jobs. I am now running for a spot on City council, where I have served for 6 years previous. I want to continue the hard work to get the town cleaned up of run-down properties. It's been a long battle, but there is now light at the end of the tunnel. I can do more working on the council for the benefit of all residents. Experience will be crucial. Please vote.

Statement

I was born in Breckenridge, TX, a small town just like Sprague except it was all about oil not wheat. Spent most of my life in Abilene, until 1990 I moved to Montana and lived there for 26 years. Most of my career life was spent in the construction field from clearing the land, digging foundations, and building log homes for some of the richest people in Montana (Ha-ha), until I broke my back and was out for about 5 years and then made a comeback in the construction world doing smaller jobs. I moved to Sprague September 2017 and I love this town!

Statement

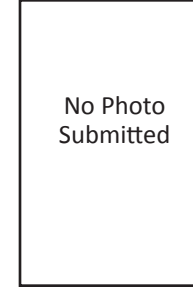

I have lived in Eastern Washington most of my life and I have resided in Sprague for the past eighteen years. I have served the city in some capacity for many of those years. During my years on the City Counsel, I concentrated my efforts on encouraging growth in housing and business. I also worked hard to update the city ordinances which had remained unchanged in some cases for many years. If elected I will continue to encourage city growth by working to bring more businesses to town, such as the light industrial business park proposed by the Miller family. I will work to find grants to improve the city's infrastructure including bridges, roads, and parks. Thank you for the opportunity to serve the citizens of Sprague.

I grew up in Sprague until I graduated and joined the Air National Guard. I married Tom Fortin in 1992 and we have 4 beautiful children together. During the pandemic, I chose to leave Kelso Washington and come back to my hometown so that our 2 youngest kids could be around family and continue their education in Sprague School District. Unfortunately, my husband had to stay in Kelso for his job. I am now working as a bus driver and a substitute Para Educator for the school district.

15 plus years in Retail and Customer service. I'm also a trained Medical Assistant and EMT, my greatest accomplishment by far is be

ing a mother.

Education

Riverside high school graduate of 2005

Some college through Spokane Falls, Medical Assisting through Apollo College where I graduated with a 4.0, and EMT training.

Community Service

I volunteered at Arcadia Elementary for 3 years working with children and assisting in Yearbook and the Arts Program. Also various activities throughout my child's education.

Statement

If elected, I will represent the interests of my fellow citizens of Odessa. Share in your concerns and help maintain the safety of our great city. Regardless of likes or dislikes, friendships or politics. I will remain respectful and polite, unbiased in my position to move our city forward while maintaining our small town, country lifestyles. I was raised on a small farm outside Deer Park. My mother was a paraprofessional and my father was a garbage truck mechanic. I went to school at Riverside and graduated, then moved to the big city only to find I hated it. After years of toxic relationships and a divorce. I found my soul mate. We worked hard, struggled, but after 2 years made the move to his hometown to open a business, in the middle of a pandemic, with nothing but our faith, hopes and a dream. To break away from the constant hustle of the big city. To live that small town life where everyone knows your name, and waves as you drive by. If elected, I will give each of you a voice, to be heard, loud and clear.

It will be my pleasure to represent and serve our community on the Creston School Board. I believe our children are our future and must be our priority, and we are so fortunate to live in a community that does care so much about our children. After furthering my academic studies, exploring our country, experiencing life on the east coast, and now having children of my own, I feel I have obtained a perspective that will help lift our students to success. This school and our community are close to my heart as I started my life here, and I want to repay the community by helping other children achieve great things. I hope to continue in helping current and future school aged children plan for their future by providing the tools, knowledge, and experiences needed for their success.

Statement

I am currently a fifth generation farmer outside of Harrington. The Harrington School District is something special. Throughout my years as a student I was grateful for the unique, supportive environment that I got to be a part of. As my son grows closer to school age I want to give back to the school district and my community by serving in this capacity. I want to be a part of a board and community that pushes for an environment where our students, teachers and staff are allowed and encouraged to thrive.

We have the responsibility to nurture our students and push them to be and do their best as they pursue their dreams. We can only succeed on this mission if we push ourselves in the same fashion. I am committed to this district and community, and working together with them to find opportunities and solutions that will allow us to flourish.

There is no room to grow unless we grow together. I eagerly look forward to growing with you all.

Statement

I live in Mohler on The Sandygren ranch with my wife Jessica and three children, two of which are 4th generation at Harrington.

I believe a school is more than just a place to learn. In addition to an education, I believe a school is a place to build relationships, develop life skills, and make memories. You achieve this by supporting your teachers, parents and students.

I'm a supporter of our educators and insist on keeping and recruiting the best. I will be an ear for the parents to approach, and an open mind for change. I will work to provide our students with more access to clubs and sports. I will work with parents to retain students and fix issues that lead students to other schools.

It has been implied in the past that if a parent believes that the grass is greener at other schools, they should leave. It is my belief that if the grass is greener at another school, we should do a better job watering our own grass.

I look forward to working with our community members, parents, and teachers to create ideas and solutions to making Harrington the best district it can be.

Statement

I've served as your Fire Commissioner since 1994. We, as a board, keep within our budget each year by setting goals, researching and educating ourselves before any big purchase, as well as meeting daily expenses. With an increase in population, we increased the size of our stations 20+ years ago, and that debt has long since been paid. Through planning ahead, it has been unnecessary to ask you to pass another levy. With budgeting, we have upgraded trucks, equipment, AEDs, extrication equipment, electronics, communication equipment & added more volunteers & training. There is enough in reserve to cover any emergency or disaster. Over the past years, our relationship with neighboring districts has improved. Budgeting has always been my main concern, second only to making sure our crews and citizens are safe and have help when they need it. The board, chief and I strive to serve you effectively and efficiently. It has been an honor to be your commissioner, and I ask for your vote in November.

My Lincoln County roots run deep. My grandfather pioneered into the region in 1897, and settled into the Indian Creek area. I have been a lifelong resident of Eastern Washington. I have been in Lincoln county for over 17 years and have been active in the Fire Prevention community for over 12 years, and in a leadership role for over 5. My wife Lisa works for the VA and shares my commitment to fire prevention as a member of the local fire auxiliary. We chose to retire in Lincoln County.

Statement

As your District 5 Fire Commissioner, my priorities are many. I've been on the frontlines many times and see the need to focus on the teams on the ground. I'm continually reminded by these hard-working volunteers of the need for additional training, improved processes and a renewed commitment to safety. I bring a unique skillset in construction methodology that aids in prevention and safety practices.

As a businessman in the community for over 30 years, I'm keenly aware of the importance for disciplined fiscal responsibility. The limited resources provided need to be managed effectively. We also need to look at additional funding resources, one example being grants.

As your District 5 Fire Commissioner, I look forward to working with all in Lincoln County. I'd greatly appreciate your support on election day.

Statement

Lincoln Hospital is a vital part of our county and community. As the county's largest employer and health care provider, its long-term viability impacts nearly every person in every Lincoln County community. I have had the opportunity to utilize the services of the hospital district as a child, adult, and now a parent. I feel fortunate my children have access to professional health care providers, facilities and services so close to home.

As a member of the Board of Directors, my goal is to positively influence the continued operational and financial success of the hospital and the ambulatory clinics located in our communities. This will be accomplished by continuing to recruit, retain and appreciate highly qualified district employees to maintain the level of service Lincoln County residents expect and enjoy. We also need to ensure all county residents and visitors have continued access to high quality care and emergency services when needed.

I appreciate your vote and your support!

Elections and Voter Registration

1 Your ballot will be mailed no later than **October 15** to the address you provide in your voter registration. If you need a replacement ballot, contact the Lincoln County Elections Department.

2 Vote your ballot and sign your return envelope. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

3 **Return your ballot by mail, no stamp needed.** If mailed, your ballot must be postmarked by **November 2**. A late postmark could disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or

Return your ballot to an official ballot drop box, no stamp needed. Drop boxes are open until 8pm on **November 2**. Find drop box locations at VoteWA.gov.

If you cannot personally return your ballot, let only people you trust deliver it for you.

4 Check the status of your ballot on VoteWA.gov to see if it has been received by Lincoln County elections.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

After 8 p.m. on election night, tallied results from each county are posted at sos.wa.gov/elections. Results are updated as counties report and unofficial until certification.

How is my ballot counted?

1

Lincoln County receives your ballot

Deposit your ballot in an official drop box **by 8 p.m. on November 2, Election Day**, or return your ballot by mail — postage paid — but make sure it's postmarked no later than Election Day! A late postmark could disqualify your ballot. The USPS recommends that you **mail your ballot a week before Election Day**.

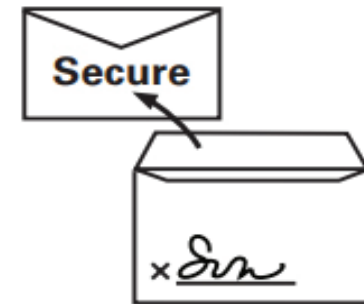

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

2

Your signature is verified

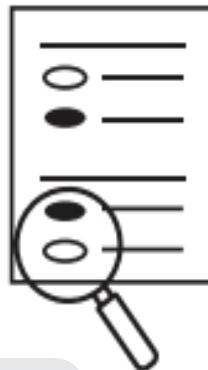

The signature on your return envelope is compared to the signature on your voter registration record. If the signature matches, your ballot is accepted and you are credited for voting to ensure only one ballot is counted for you.

3

Envelopes are separated

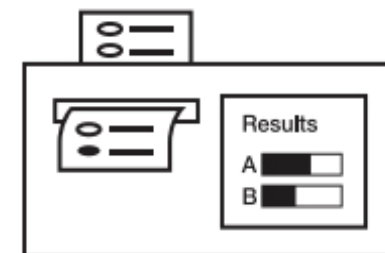

The return envelope is opened and the security envelope containing your ballot is removed. They are separated to ensure the secrecy of your vote.

4

Your ballot is reviewed and scanned

The security envelope is opened and election staff review your ballot to verify that it can be successfully scanned.

5

Your ballot is counted

After 8 p.m. on Election Day all scanned ballots are tallied. Ballots will be scanned and tallied over the next several days until all the votes are counted.
