What is a qualified applicant?

A qualified applicant is a person who is eligible to receive a certificate.

Who are the qualified applicants for a long form death certificate?

Qualified applicants for a long form death certificate are: Spouse/Domestic Partner, Child, Parent, Stepparent, Stepchild, Sibling, Grandparent, Grandchild, Great Grandparent, Legal Guardian, Legal Representative, Authorized Representative, Next of Kin (if no one else from this list is living), Funeral Director or Funeral Establishment listed on the record (up to 12 months from the date of death), or Government Agency or the Courts (only for official duties).

Who are the qualified applicants for a short form death certificate?

Qualified applicants for short form death certificates are the same as the long form death certificates, plus these additional qualified applicants: A title insurer or title insurance agent handling a transaction involving real property, or a person that demonstrates the certificate is necessary for a determination related to the death or protection of a personal or property right related to the death.

Are you one of the qualified applicants listed above to the death certificate you are requesting?

If yes, continue. You will need to provide identity and proof of eligibility documentation.

****If you are not one of the listed above, STOP. You will not receive a WA State death certificate****

What is proof of eligibility documentation?

Proof of eligibility documentation are documents that link you to the requested death certificate.

1. If you are listed on the record and your identity documentation sufficiently links you to the record (i.e. parents), your proof of eligibility requirement is met.
2. If you are not listed on the record or your identity documentation doesn't sufficiently link you to the record, you must provide additional documentation to prove eligibility.

What documents will the Lincoln County Health Department (LCHD) accept to prove eligibility?

DOH will accept the following documents to prove eligibility:

- Copies of vital records such as certifications of birth, death, marriage, and divorce from this or another jurisdiction that link you to the requested record
- Copies of certified court orders from a court of competent jurisdiction linking you to the record (i.e. legal representative)

- Document or letter from a government agency or courts stating the certification will be used in the conduct of official duties (for government and court officials only)

View the [Proof of Eligibility \(PDF\)](#) for examples of how to prove qualifying relationship.

What identity documentation will DOH accept?

LCHD will accept a copy of:

- One government issued identity document (must contain photo, full name, and date of birth) that is current or expired less than 60 days; or
- If you do not have a government issued identity document, then at least two alternate documents from the alternate list. The alternate documents must contain matching first and last names and addresses, or in combination contains full name, date of birth, and photograph.

View the list of [acceptable identity documentation](#).

What information is required?

The following information is required as it appears on the death certificate:

- First and last name of the decedent
- Date of death (month and year)
- City or county where the death occurred

What is the difference between the long form death certificate and the short form death certificate?

The long form death certificate contains cause and manner of death information and social security number of the decedent. This product might be needed to close out bank accounts or claim benefits such as life insurance policies.

The short form death certificate is a new product being offered only for deaths that were registered electronically starting January 1, 2018 to present. It does not contain cause and manner of death information or social security number of the decedent. This product might be needed for transferring titles (e.g. vehicles), real estate transactions, and probate cases.

Check with the agency or business where you will be using the certificate to know what information it must include prior to purchasing it.

What if I cannot provide the required documents to prove eligibility, do not have identity documents from the acceptable list, or know the required information?

If you are unable to meet the requirements, you may submit a request for an exception. This process allows the applicant to explain why you are unable to provide the required documentation or information.

What address do I put on the order form?

The address you provide on the order form must be the address you are REGISTERED to receive mail at. If that is not an option, put the name of the individual registered at the address and then put "in care of" before your name (Ex. John Doe C/O Jane Doe 90 Nicholls Street, Davenport, WA 99122). If filling in the form by hand, please print clearly to avoid delay in processing.

What form of payment is accepted?

We accept checks or money orders made out to LCHD. We also accept debit or credit cards for an additional \$2.50 credit card processing fee.
