

LINCOLN COUNTY PUBLIC WORKS SUMMER HIRE EMPLOYEE ELIGIBILITY

The Lincoln County Public Works Department's policy for hiring temporary full-time employees is that we will only consider those individuals who have registered full-time for the following fall semester at an established institute of higher learning. Each applicant wishing to be considered for temporary full-time summer employment shall be required to provide the following information as part of the applicant package, which must be completed and submitted each summer season.

Any applicant who fails to provide or refuses to furnish this information within one (1) week of submitting an application, will not be considered for any position until such time as the information is provided. This includes previous summer hire employees applying for employment in subsequent summer seasons. If you have any questions, please contact the Public Work's office at 509-725-7041.
